

EXAM «ANATOMY»

The performance

Each exam card contains 3 questions. Each question includes the practical part and the theoretical part. Assessment is carried out on a ten-point system like on practical class.

№	question	The practical part		The theoretical part	
		min	max	min	max
1.	Question № 1	7	10	7	10
2.	Question № 2	7	10	7	10
3.	Question № 3	7	10	7	10
	Total	21	30	21	30

You can get in total 42 – 60 points

To pass exam you need to have the performance at least 70% of the practical part (21 points) and at least 70% of the theoretical part (21 points).

If you perform less than 70%, you have not pass the exam in **anatomy**
