

XXI INTERNATIONAL

# PIROGOV MEDICAL CONFERENCE

Dear colleagues!

Pirogov Russian National Research Medical University invites students and young scientists under the age of 35 to take part in the XX International Pirogov Scientific Medical Conference which will be held on the 19<sup>th</sup> of March 2026 in Moscow.

We are proud to announce that 2026 year is the anniversary year for our conference!

At the conference participants are supposed to present the results of fundamental and clinical researches. You can find the list of sections in the application.

According to the results of the conference, a collection of materials will be published. The collection will be included in Russian Science Citation Index (RSCI). The online version of the publication will be posted on the conference website.

Forms of participation in the conference:

1. Oral report with the publication of abstract;
2. Poster presentation with the publication of abstract.

If you want to participate in the conference, it is necessary for you to pass the electronic registration by 20 December 2025 and submit an abstract using your personal account on our website: [pirogovka-reg.rsmu.ru](http://pirogovka-reg.rsmu.ru).

More details you can find on our website [pirogovka.rsmu.ru](http://pirogovka.rsmu.ru).

Best regards,  
Rector,  
President of conference organizing committee

Sergei Lukyanov
