

XXIV INTERNATIONAL BIOMEDICAL CONFERENCE  
“FUNDAMENTAL SCIENCE AND CLINICAL MEDICINE.  
HOMO AND HEALTH”  
FOR YOUNG RESEARCHERS

*Letter of Announcement*

09.03.2021

**On April 24, 2021** St. Petersburg University (SPbU) is holding the XXIV International Medical and Biological Scientific Conference of Young Researchers "Fundamental Science and Clinical Medicine. Homo and Health".

The conference is traditionally supported by I.P. Pavlov Russian Physiological Society, St. Petersburg Branch of the International Society for Pathophysiology, N.I. Pirogov St. Petersburg Surgical Society, St. Petersburg Branch of the All-Russian Society of Anatomists, Histologists and Embryologists, St. Petersburg Society of Natural Scientists and other scientific and professional medical societies.

**The purpose of the conference** is to involve young researchers in solving current problems of contemporary science, to integrate higher education and fundamental science.

**We invite** students, schoolchildren, interns, postgraduates, physicians and young researchers up to the age of 35 to participate. Papers are accepted on a wide range of issues in all branches of Clinical and Preventive Medicine, as well as Morphology, Physiology, Pathology, Pharmacology, Biophysics, Bioinformatics, Biomedical Cybernetics, Biochemistry, Molecular Biology and Genetics. A satellite Symposium “Cutting Edge in Clinical Pathophysiology” is planned under the aegis of the International Society of Pathophysiology.

**Participation** in the conference does not require registration fees.  
The conference is held **online**.

**Conference sections:** <sup>P</sup><sub>SEP</sub>

- |   |   |
|---|---|
| 1. Immunology and Allergology                 | 7. Psychiatry, Neurology and Medical Psychology |
| 2. Microbiology                               | 8. Physiology                                   |
| 3. Morphology and Pathomorphology             | 9. Internal Medicine                            |
| 4. Oncology                                   | 10. Pharmacology; Pharmacy; Pharmacognosy       |
| 5. Maternal and Child Health                  | 11. Surgery                                     |
| 6. Pathophysiology and Experimental Pathology | 12. Medicine and Arts                           |

**Abstracts** can be submitted until **March 31, 2021**. Abstracts can only be submitted using the online registration system at:

[https://regforms.spbu.ru/ru/?option=com\\_rsform&view=rsform&formId=1296](https://regforms.spbu.ru/ru/?option=com_rsform&view=rsform&formId=1296)

Abstracts selected for the conference will be published in a collection book with an ISBN assignment and article-by-article indexing in the Russian Index of Scientific Citation database.
